419 Lafayette Street, 3rd Floor  
New York, NY 10003

Dear Ms. Yaakobi,

Thank you for your gift of [REDACTED] to The Children's Aid Society, your donation for the months of August and September. We truly appreciate your generosity and partnership with us, especially during these difficult times for our children and families. We depend on friends like you to ensure we are able to maintain all that makes Children's Aid so special.

No investment is more important than one that builds a better future for our youth. Charitable support is vital to helping us close the gap between what children from fragile families have, and what they need in order to become happy, healthy and successful adults. For more than 150 years, Children's Aid has been the difference for New York City's poorest children, filling the gaps between what they have and what they need to thrive.

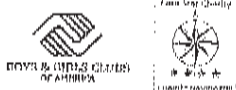

Children's Aid is renowned for offering a full spectrum of programs that address every aspect of a child's life, from infancy to young adulthood. Your generosity allows us to be bold about pursuing innovations that produce long-term, positive outcomes for young people. By choosing Children's Aid as a beneficiary of your giving, you have joined with many others to keep us strong as a champion for children who need a helping hand to reach for their dreams.

Sincerely,

*Patricia M. Grayson* We appreciate your support  
Patricia M. Grayson  
Assistant Executive Director

*P.S. Please consider this letter your official receipt for tax records, and note that no goods or services were provided in exchange for this gift.*
