hi,

We are very pleased with the service and with the response. the installation went smoothly, Roy and Daniel work well together, . we hope that the shades will serve us well for many years to come.

3 reasons why you won the job:

- 1. you sent a professional to measure and than give us the estimate
- 2. you were able to deliver before we left
- 3. Roy is very professional, credible and knowledgable, without being pushy or arrogant, and he won our trust

thank you

rennie
