Dear Milana,

Thank you for our beautiful new curtains. Daniel was prompt and professional with the installation. The curtains look lovely and have a wonderful quality feel to the touch. Our ultimate goal for the curtains was for aesthetics and to provide a comfortable dark cozy environment thereby improving the quality of sleep for my 7 year old son. The best endorsement I can offer is that Jackson's unsolicited statement this morning was "My sleep was perfect! I just slept deeper and better!"

It was a pleasure doing business with your company,
Susan
